Instructions

1. Enter target number for each match.
2. Enter Set results (Recurve) or Score (Compound) for each match in the SCORE column
3. If recurve also enter the actual score in the Points column
4. The winner of the match will automatically transfer onto the next match
5. If the match was a BYE to allow the archer to transfer into the next match enter the score .01 and decrease decimal to 0
4. If there is a Tie enter each the scores of single arrows shot in the Tie Column. If teh score were teh same and the Tie was broken using closest to the center enter .01 after the winning score i.e. 10.01 and decrease decimal to a whole number.
